Dear Sir,

This is a page from a handwritten manuscript, likely a letter or a journal entry. The text is written in cursive and is heavily obscured by a large, dark, irregular shape that covers the right side of the page. The visible text on the left side includes the words "This is a" and "The" followed by some illegible words. The page is numbered "71" in the bottom left corner.

DEDICATION . . .

Dr. Ferrill is probably one of the most widely known personalities on campus. His friendly greetings and cheery countenance brighten many and otherwise gloomy days.

We hope that this dedication in some small way will serve as recognition of these outstanding characteristics. The generosity of Dr. Ferrill is not confined to the limits of Ball State, for he is recognized in the Community of Muncie as an outstanding leader.

Dr. Ferrill, we wish to say to you, "Hello there, how's it goin'," . . . and . . . may you continue to be living proof that teachers are people.

IN RECOGNITION OF . . .

Sharley B. DeMotte

Ball State acquired the services of Mr. Swinford in 1926. Of course Mr. Swinford was already known on campus from his undergraduate days. Mr. Swinford also has little time for relaxation since he carries a fulltime teaching load, sponsors clubs, and is the faculty business advisor to the Orient and Ball State News.

To both Mrs. DeMotte and Mr. Swinford may we say, "Thanks!"

Mrs. DeMotte came to Ball State in 1925. The students think of her as one of their true faculty friends, and that she is. In the 28 years of her service to Ball State, she has seen many changes take place; indeed she has participated in making the changes possible.

Certainly the beneficial influence of Mrs. DeMotte is very noticeable on campus as a faculty member, publicity director, sponsor of the Ball State News, and last, but not least, the Orient.

The State Teachers College Board, appointed by the governor of the state of Indiana, serves Ball State Teachers College and Indiana State Teachers College. The steady growth in high educational standards for these colleges is due to the sound, consistent, high-minded policies supported by this board.

TO THE SENIORS . . .

Graduates —

You are one of the most popular graduating classes ever to leave our portals. Everywhere you turn you are needed. Your country calls many of you to military service; there is a serious dislocation between the supply of and demand for teachers; business, industry, and government service provide numerous opportunities.

We hope that your college has prepared you to grasp these opportunities — these challenges — and to face your new tasks with eagerness, enthusiasm, and vigor. We believe that your achievements will be many, and that they will reflect honor to yourselves and to your Alma Mater, Ball State Teachers College.

PLAYTIME . . .

The new faculty room in the Student Center is quite a popular place for the staff members. A good card game does a lot for the nerves, right?

sports

Ball State opened their 1952 season with a 7 to 7 tie at Hanover. The Cards with a much improved team this year held Hanover scoreless until the final five minutes when Hanover blacked a Card punt and marched 30 yards for a touch down. Big Bob Shirar power dived into the end zone for Ball State's touchdown. Grant and Grady set up the score by running the ball for 62 yards.

The Cards fought valiantly at Michigan Narmal taking an early lead of 7 to 0 but trailed 13 to 7 at halftime. In the fourth quarter the Red and White regained their lead on a Mathias to Butler touchdown and the extra point. Then Narmal's offense began to roll. They scored twice in the last seven minutes to down the Cards 26 to 14.

In their first home game the Cardinals found the going rather rough against the DePauw Tigers and they trailed at the end of the quarter 14-0. The Red and White came to life in the second frame and trailed by only one point at half-time 20-19. From thereon the Tigers had things pretty much their own way and the final score found the Cards trailing DePauw 40-25.

Although the homecoming weather was perfect the 7,000 students and alums had their spirits dampened as the Butler Bulldogs chewed the Cards and returned home with a 28-7 victory. The Cardinals were unable to stop the Butler ground attack and could not put their own aerial offense together for more than one score.

ENDS AND CENTERS . . .

TACKLES AND GUARDS . . .

Playing a vastly improved grade of football, Ball State stopped the Indiana State Sycamores previously unbeaten team 33 to 0 in a sensational upset. This was one of the greatest games in several seasons for the Cardinals.

Next the Cards turned north to play Valparaiso, last year's ICC champion and this year's co-title holder. The Cards, playing an excellent brand of ball, out-played the Crusaders but fell short of victory by one point 14 to 13.

Oct. 1 Voted for class officers today. Had to get a ticket from the office to prove that I'm me.

BACKFIELD . . .

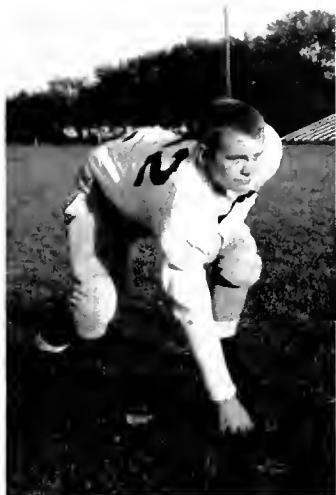

COACHES . . .

Ball State again turned north and outclassed St. Joseph, winning by a 21-6 margin. In statistics the Cards had much the better of things and were only mildly threatened by the upstaters.

The Cards were not too impressive in their last home game of the season as they lost to the Little Giants of Wabash 39 to 19. Big Stan Huntsman was too much for the Red and White to cope with as he averaged 9.8 yards per carry, gained a total of 254 yards and scored five touchdowns.

In the final game of the season the Cardinals trounced the Evansville Aces 26 to 7 in the pocket city. The contest was played at night and was a pleasing climax to a mediocre season for Ball State.

The Cardinals concluded the season with a record of three wins and five losses with one tie. In the Indiana Collegiate Conference the Redclads finished in third place. Their conference record was three wins and two losses. John Mathias led the conference in passing and total offense. John also was named the most valuable player of the 1952 season by his teammates and was named first string quarterback on the all-conference team. Governor Grady was one of the states top scorers this year with 64 points. The Governor was also the top scorer in the conference. Ernie Butler was the top pass catcher in the conference as he snagged 21 aerals good for 261 yards. Seniors playing their last game for Boll State were John Mathias, Bob Shirar, Dale Scrivnor, Ken Grant, Sam Bogner, and Jim Acton.

Ball State also placed second in the Little State meet and fourth in the Big State meet.

This year the Ball State cross country squad compiled an impressive record of four wins and two losses. After finishing their schedule of dual meets the Cardinals entered both the Little State and Big State meets. In these contests the Card runners placed second and fourth, respectively. Mainstays of the squad were sophomores J. W. McKeever and Jim Stricker, freshman Klaus Krug, and senior Joe Parker.

First Row: Milt Rass, Mgr., Ray Karnafel, Jae McKeever, Jim Stricker, Jae Parker, Frank Sharkey, Mike Tath, P. B. Williams, Coach.

Second Row: Carl Painter, Lowell Barker, Bruce Stewart, Estill Duggins, John Sill, Dean Pierce, Randall Mauck, Herb Seals, Klaus Krug.

This year the Cardinals of Ball State turned in a much improved performance over that of the past few seasons. Indications are that in the next few years the trend for better basketball here will be on the upgrade, as only two seniors were carried on the roster.

Robert Primmer, who completed his first year as coach, usually started a lineup consisting of one junior, two sophomores and two freshmen. This crew, with capable assistance from the other varsitymen, compiled a record of 11 wins and 11 losses. In the Indiana Collegiate Conference, the local record was four victories and six defeats.

BASKETBALL . . .

First Row: Asst. Manager Whitworth, Kuhny, D. Horris, Cross, Ross, Delk, Stovros, Manager Gordan.
 Second Row: Asst. Cooch Phillips, Davis, Edwards, Campbell, Rinehort, Slick, Thompson, J. Horris,

Coaches Phillips and Primmer plan strategy for coming games.

Ball State's main problem came in playing on a foreign court. At home the Red and White looked like world beaters but seemed to lose the victory touch when away from the friendly confines of Ball Gymnasium. As an example, Ball State trounced Indiana State, 80-61, at home, but fell before the same team, 63-61, at Terre Haute.

Oct. 10 Today was really loaded with excitement. Freshman games, Theatre rush, working on the float, and learning who won the Queen contest.

The highlight of the 1952-53 season, so far as Ball State fans are concerned, was the 77-54 beating administered to Tony Hinkle's Butler Bulldogs. The Cardinals never looked better than in this one as they hit a high percentage of their shots from the field, set up plays, broke up Bulldog offensive patterns and got the enemy "on the jump" all the way.

Oct. 11 The Big Homecoming Day finally arrived. All my friends who are "out in the field" were back to view the new Student Center.

Although the swim team had several returning lettermen there were few new aspirants to the squad. The thinned down tankmen finished the season with a total of three wins and five lasses. Seniors on this year's team are Jerry Oliver and Charles Hassel.

The intramural program, under the direction of Dr. Robert McColl, provides an opportunity for participation in athletics by groups or by individuals.

SOFTBALL . . .

Each year the physical education department sponsors two activities for general campus participation and entertainment. Gymkhana is presented in the winter term and includes dancing, tumbling, and many other physical education activities. In the spring term Aquaticus is produced in the college pool and is looked forward to by the student body as one of Ball State's most beautiful productions.

First Row: Miss Phyllis Nelson, Dr. Poul Royalty, Miss Ruth Andrews.

Second Row: Dr. Robert Shelley, Mr. Ansel Wallace, Pete McKay, Mr. P. B. Williams.

Since all conferences require that athletic control be in the hands of an academic body, the Athletic Committee was formulated.

The main functions of the committee are the paying of hospital bills for injured athletes, the purchasing of equipment, the manipulating of finances, the approving of schedules, the deciding of awards, the approving of officials, the carrying on of public relations with other schools, the approving of eligibility, and the declaring of associations of leagues.

Oct. 29 Saw "The Silver Whistle" this evening. Spotlight certainly provides some fine entertainment.

HEALTH SERVICE . . .

That virus infection struck our campus in the winter term and the infra-red lamp received a good workout in order to speed the victims back to campus activities.

At same time during his college career every student must face this experience. The torture is only mental, however, and it protects him from contagions.

The staff at the Health Service, which is located in the Gym, is under the direction of Dr. Amelia T. Waad and employees a staff of trained nurses. Periodical examinations are given all Ball Staters and the best of medical care is available at all times.

W.R.A. . . .

Ball State women get a variety of sport action through W.R.A. Volleyball, Tennis, Swimming, Basketball, and Softball comprise a few of the areas in which their interests may be directed. Just one more step toward a well rounded education.

GYMKHANA . . .

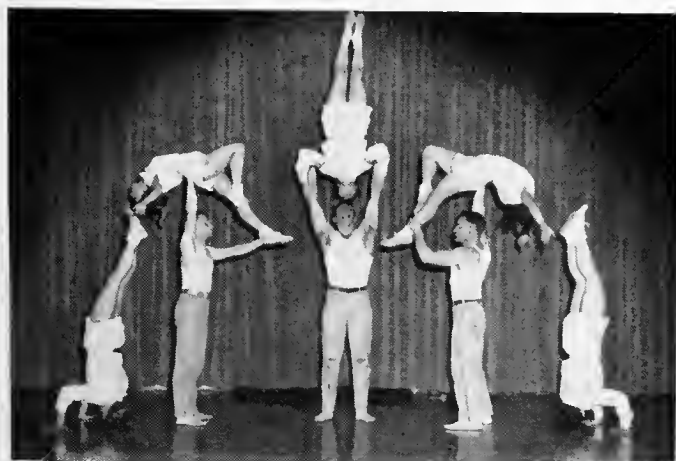

. . . even the participants enjoy watching the tiger leaping . . .

This year's production of Gymkhana was the story of the evolution of physical education in schools. After several acts depicting the program of several years past, performed in appropriate attire, the cast presented a very skillful and entertaining show.

The Fourth Annual Variety Show was presented this year by the Kappa Sigma Kappa fraternity. Winners of the prizes awarded for the best skits were Sigma Sigma Sigma, Alpha Sigma Alpha, and Theta Chi. Most campus social organizations and several clubs were among the competitors. Laughter was the byword of the entire show as the Masters of Ceremony maintained the spirit between skits. That intramurals softball action shot is really the thing.

The 1953 Orient is in your hands for judgement. Putting out a yearbook is not as much fun as it might seem. There are many hours that must be spent outside of the regular activities in planning, organizing, and printing the book. It is not all work, however, and it is difficult for one who is not connected with such a project to realize the cooperation that is necessary. It is almost cooperation personified. It is not a one man job!

In the space here, it would be impossible to express my sincere gratitude to those who worked so hard to bring this book into your hands. The staff members, who carried a full load of classes. The photographers, Jim Reid and Bob Neiswanger, who were always ready to shoot a picture. Bertha, Joe, and the staff at Delaware Engraving, who often gave us that needed little pat on the back. Last but certainly not least Don, Karl, and the Lincoln Press people, who guided us with our printing troubles. It took everyone of these people and their facilities to reach this goal, and all I can say is . . . **THANKS —**

Adding a new touch to our Pi Phi events was our DAD'S DAY held for the first time this year. A desire to entertain Dads came after the realization that we treat our Mothers each spring at a breakfast. Atmosphere was lent for the afternoon through the Ball State-Wabash Football game. A section of Pi Phi's with their Dads as dates cheered Ball State to a near victory. Name tags of hearts distinguished each Dad. A tour of the new Student Center occupied the time prior to the game. Serving a picnic style supper followed by participation of our Dads in a program ended the day. Small original Pi Phi paddles made by the daughters were given as gifts of remembrance.

Pi Kappa Sigma was founded on November 17, 1894 at Michigan State Normal College, Ypsilanti, Michigan as an Educational Sorority. At the present time there are thirty-two active chapters located in teachers colleges all over the United States. The purpose of our sorority is to strive for the social, intellectual and normal growth of its members. The activities of the year included our homecoming float, rush parties, record dances, rummage sales, Founders Day Banquet, Valentine party with the alumnae and our Annual "MARDI GRAS" dance. We also took part in the Kappa Sigma Kappa Variety Show, the W.S.S.F. Carnival and the Inter-sorority and Inter-fraternity Sing.

Every year Tri Sigma presents to the campus a unique dance called TOPSY TURVY TAVERN. This event is a combination record dance and variety show which is free to everyone. Every Greek organization is invited to present a short skit. One of the featured attractions is the election of the Topsy Turvy Doll. Candidates for this doll are entered by each sorority on campus. The election of the doll is by penny votes. The winner receives a miniature doll, compact, and a Hawaiian orchid. This year Topsy Turvy Tavern was held in the L. A. Pittenger Student Center. Dancing, entertainment, and presentation of the doll were in the ballroom. A typical tavern atmosphere was achieved by serving non-alcoholic mixed drinks in the candlelit Pine Shelf. The proceeds of this event are used for the sorority's philanthropic activities.

HIGHLIGHT —

Each year Kappa Sigma Kappa sponsors an event which has proved to be one of the high points of the activities of the campus. Nineteen fifty-three was the third year of the Variety Show and this year's show was better than either of its predecessors. True to form the Masters of Ceremonies proved to be as equally entertaining as the acts themselves, while the acts of the various organizations are growing steadily better as a result of increased competition. Held about the first of February, the Variety Show adds a touch of brilliance and gaiety to the usual drab of winter by providing fun and laughter for both contestants and the audience.

HIGHLIGHT —

In the Spring of 1952 Lambda Chi Alpha initiated on campus the first BIKE-A-THON. This activity became a reality through the thinking that there was a need to create co-operative attitudes among social groups, provide diversified activities for spring term and to present to the campus another form of recreation and entertainment. The event was received with great enthusiasm by all fraternities and sororities. Despite adverse weather conditions the girls were out at 8:30 to start the very tiring task of tarring the quarter mile track forty times for a total of ten miles. The fraternities then began their 50 mile ride. This feature provided many thrills, much excitement, and a great deal of entertainment. Trophies were presented to the winners by Lambda Chi Alpha.

Lambda Chi Alpha holds the distinction of being the oldest social organization on campus. The group was known as the Navajo Fraternity until January 28 of 1951 when it affiliated with Lambda Chi Alpha as the 138th chapter. Since that time it has grown to include 141 chapters, ten of these being located in Indiana. This number which ranks Lambda Chi as the largest member of National Inter-fraternity Council is unusual in that as a national fraternity Lambda Chi is relatively young. We are also proud of the fact that Iota-Alpha became the first chapter of Lambda Chi ever to be establish on a teachers' college campus.

Alpha Psi Omega is a relatively new honorary on the Ball State campus. It was founded here in 1945-48 for the purpose of refining the dramatic activities at Ball State and stimulating a greater interest in drama. Like most honoraries, it requires for membership a deep interest in the field it represents and a high scholastic standing.

ACTIVITY —

Probably the most important function sponsored by the honorary, however, is the annual Spring Drama Conference. The purpose of the conference is to recognize outstanding dramatic abilities on the part of high school students in Indiana. Such activities as the reading of poetry, the presentation of plays, and the giving of speeches make up the conference program.

ACTIVITY —

Delta Phi Delta initiated the "Children's Fair" in 1949. Since then it has become an annual event. Children from four to eight years of age come to the art gallery on Sunday afternoons for a nine weeks period. The aims of the fraternity are to advance the cause of music in America, to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members, and to encourage loyalty to the Alma Mater. To these aspirations, all men, who encourage the advancement of music, through appreciation, composition and performance, are pledged and initiated into Sinfonia.

CAPPING CEREMONIES . . .

Ball State is very fortunate to have such an institution as Ball Memorial Hospital associated with it. The Capping of the young nurses means that these people have accepted a deeply responsible position with society, and a position with which goes little glory. We are proud of the reputation these student nurses have, and of their desire to be a service to mankind.

ALUMNI ASSOCIATION . . .

EXECUTIVE COMMITTEE

Seated: Marian Bradley, Yetive Heller, Bernard McKenzie.

Standing: James L. Walker, W. J. Wagnan, Robert Straight, Jahn Orr, Vaughn Jahnson, Mrs. Maxine Teague, Reese Williams.

OFFICERS

President — Bernard McKenzie

Vice-President — Yetive Heller

Secretary — Vaughn Jahnson

Treasurer — James L. Walker

OFFICE STAFF

Carolyn Wash, Reese Williams, Sue Crawford, Jahn Orr, Delares Shank, Marilyn Kundrat, Mrs. Maxine Teague.

The Ball State Alumni Association, represented on campus by the Alumni Office in the Student Center, was founded in 1919 and has grown continually, both in numbers and in services to its alums. From an informal group, it has grown into an organization of nearly 1400 dues-paying members and has a mailing list of over 13,000.

Governed by an Executive Committee that is chosen by the dues-paying members, the Association has many purposes. The most important of these is the role it plays as the link between the College and the individual alumnus.

Among its other services, the Association puts out three copies of the **Alumnus** each year; helps to stage Homecoming; maintains headquarters in the various meeting centers throughout the state during State Teachers Institute; sponsors local alumni chapters in Indiana and surrounding states; promotes scholarships and awards; works for a broader program to attract outstanding high school seniors; and helps to preserve and improve Ball State's place in the field of higher education.

As Ball State grows, so will the Alumni Association, along with its services. With its new offices in the Student Center, the Alumni Office stands ready to greet and help all friends of Ball State.

BALL STATE TEACHERS COLLEGE

Fully Accredited

MEMBER OF
American Association of Colleges for Teachers Education
AND
North Central Association of Colleges and Secondary Schools
PLACED ON APPROVED LIST
Association of American Universities
AND
American Association of University Women

This state college offers courses for Superintendents, Principals, High School Teachers, Counselors, Supervisors, Teachers, Nurses, and students on preprofessional courses. Work leading to the Master of Arts degree and the Master of Arts degree in Education, as well as an additional year of work toward the doctorate, is offered, in addition to the four-year college courses. Work is also offered in special education and in secretarial science.

Special attractions for the two summer terms include workshops, field study, book exhibits, conferences, music clinics, concerts, dramatics, eminent speakers, and recreational programs.

Thirty-five freshman courses, including Air Force-ROTC, are offered, beginning June 8, to meet the needs of high school students who wish to enter college this summer. Many students are interested in becoming adjusted to college work before the fall quarter opens in September.

Students who wish to become master teachers in any of the fifteen subject matter fields will find new courses offered. Elementary teachers have gained new recognition in assurance of a position, increased salaries, and an awakened public interest. A definite shortage of teachers still exists; therefore, to meet the demand, outstanding high school students should be encouraged to enter the teaching profession.

Ball State is a growing institution. The enrollment is almost 3,000, doubled since 1941. The faculty has increased to 165; the buildings now total 17. This year the new L. A. Pittenger Student Center was dedicated and the Business Education and Home Economics units of the Practical Arts Building will be completed by the fall quarter. The Industrial Arts unit of this building has been in use for two years. The campus now includes 200 acres, several of which are a natural forested area. A campus plan to take care of expansion in the future and the location of additional buildings has been prepared.

Hi
after looking at
your book.

Dear Henry,
you are by
far the sweetest and
nicest cousin sister
anyone could have
and I really mean
it. I love to hear that
you are happy and
hope you always
will. I hope you
and Bill come out just
right for you and Bill, so you
can go up going to school
together. I hope you
will see you at council
meetings. The
freshmen really don't
come any cuter than
you.

To one of my lil' fans
It's been so nice to have
you around boosting my
ego. C'est la vie. Bonsoir
Bonne nuit

P.S. Wish
you success or roommates
next year.

Hi Henry,
loads of love
to a wonderful girl.
Always remember the
long talks we had + also
our orientation class. I hope
you and Bill stop your fighting
and be good. Hope to see you
soon. Love
Bill

Dear Henry -
Remember all the fun
we had this year. Especially when
you were trying to teach me how
to fast dance. I think I enjoyed
fighting spells. I think I think I
negative the world would be without you. Quick as
a flash you'll click in anything you're exposed to.
You've already developed into a splendid generation.
That clearly pictures the problems ahead. Good luck!

You'll probably
find this signature
years later because I'm not
going to tell you I signed it.
I'm looking forward to our
good times with you + Bill
really been with you + Bill
year will bring more good times.
You're really genuine. Be good
take care of Bill. Always
Love ya

to do something
exciting this week

1. THE Lunkabaker,

You know Jimmy, I still think you'd be a great basketball player if you'd only move a little & shoot more! Seriously, tho, you're one of the reasons that I've enjoyed my last year so much. You know that as much as I'd like, I'll let you know what I'm doing. I'll expect to see you at homecoming, possibly have a little drink to gether! Don't give Bill such a rough time - have lots of fun this summer and be sure to drop in to see me when you come down this first term.

Best always
Love,
Barb (y'all backrucker!)

Cast (Act), also (or)

Dearest Jimmy,
you have been one of the most
enjoyable parts of this school year
to me. I'll always remember the
good times we've had together and
all the talks we've had about our
men. I hope that you'll always keep
in contact with me after we leave school.
Remember our basketball team and our tennis games.
Maybe we can get together sometime and have a big old
tennis game. When our men get home, maybe we can have a
big party and you can't tell I might even drink some beer.
Tonight as I am writing this, you had a spat with Bill, but
I know you two will get things straightened out because
the four of us (Russ, Bill, you, and I) just have to get
together and have a party. Remember at the first of the
year how "green" we were - all four of us even got up
to go to breakfast! Remember Lois from Nakomo and how
we tried to talk her into staying when we were pretty
scared and homesick ourselves. Although I have com-
plained about this place and say I'm glad to be getting
out, I'm really going to miss everyone and especially
you since we did so much together. I hope you get
to come back if you want to and really have a good
time. I hope you get to your 9 o'clock classes on time with-
out my trusty clock. Don't forget to write me and come to see
me this summer. I'm really going to miss you and you much, Barb.

To Jimmy,
 I certainly do
 remember that ball
 team! Maybe I didn't
 win them all - I wish you the best
 of everything!
 Remember me to

 A & A

To Jimmy,
 What a great pro-basketball
 player you would have made!
 I certainly did enjoy the week - and
 at home with you although I
 didn't see very much of you.
 Good luck to you and your
 team. I'll see you
 soon. Love, Margaret

To a sweet neighbor,
 Betsy, I'll really
 remember all the fun
 we've had this year
 what with suppers and
 parties and always and
 most important, me!
 Perhaps I'll be back soon.
 Have been thinking of coming
 but about the weather.

To my own-tanned next
 door neighbor,
 It has really been this
 fun knowing you and
 your pet and kept
 enthusiasm. Here's hoping
 we all will be next
 year. Love, Margaret

Gracious Living

To Ginny,
 One of the sweetest
 girls I know. I
 hope to see you
 next year. Best
 of luck.

Ginny —
 It certainly has been
 nice knowing you in
 this first year at school.
 I hope to see you
 again next year.
 In the meantime, don't be
 too rough on that Washak
 fellow of yours!

Ginny —
 It certainly has been
 nice knowing you. Usually
 you were a nice neighbor,
 but sometimes you are in 7th. Wayne
 If sometime you look me up. Best of
 luck and I hope to see you back
 here again next year.
